Bermixer PRO 650W with a 22" tube (constant pressure switch)

**Short Form Specification**

**Item No.**

Bermixer PRO handheld mixer with stainless steel tube and space saving storing wall support. Parts in contact with food - tube, blade, shaft - completely dismountable without tools and dishwasher safe. Bell knife design ensures antispash system and minimum handling during working operations. Flat motor base with ergonomic handle for a convenient grip. Electronic speed variator with speed regulation regardless of the load. Electronic speed adjustment by pulse on + and - buttons. Designed for heavy duty usage: double fan system to cool down the motor. Water proof (IP55) control panel to control speed levels and overload warning light. Constant pressure switch in line with latest UL standards, improving user safety while handling the mixer.

WARRANTY: 1 year Parts and 1 year Labor

**Main Features**

- Parts in contact with food - tube, blade, shaft - can be completely dismounted without tools for easy cleaning.
- Delivered with:
  - flat base motor
  - stainless steel tube
  - space saving storing wall support
- Anti-splash bell knife design.
- Tube, knife and whisks are dishwasher safe.
- Safety feature requires both hands to start the mixer (no volt release system).
- Light weight, ergonomic grip and adjustable speeds make preparation tasks fast and easy.
- Overheating warning red indicator.
- Bayonet system makes fast and simple to exchange tools.
- Productivity suitable for 50 to 300 meals per service.
- Designed to be used directly in stew pots up to 58 gal (220 lt).
- Very easy to use, assemble and dismantle.
- Bayonet system to easily remove accessories without the use of tools.
- Red luminous indicator flashes when the device is overloaded.
- Its light weight ensures an optimum comfort for the user.
- Thanks to its electronic speed variator, a quick press with the thumb on the selector is all you need to change speeds.

**Construction**

- Power: 650 watts.
- Maximum speed 10000 rpm.
- Motor has an air cooling system and is protected against overheating (in case of long intensive work).
- Smart speed control to ensure the right power according to the work load.
- Water protected motor unit (controls are IP55, IP34 throughout machine).

**Included Accessories**

- 1 of BermixerPRO Stainless Steel cutter tube 22in (553mm) PNC 650134

**Optional Accessories**

- BermixerPRO Stainless Steel cutter tube 14in (353mm) PNC 650132
- BermixerPRO Stainless Steel cutter tube 18in (453mm) PNC 650133
- BermixerPRO Stainless Steel cutter tube 22in (553mm) PNC 650134
- BermixerPRO Stainless steel tube 26in (653mm) PNC 650135
- BermixerPRO Adjustable Rail, for containers 15in - 26in, to be combined with bowl cradle PNC 653292
