

CMA-180T

High Temperature
Pot & Pan Single Rack
Split Door Dishwasher

**NEW
SPLIT DOOR
FEATURE**

Corner Model

Straight Model

FEATURES:

- **Energy Star® Approved**
- 60 racks / 240 covers per hour.
- Economical to operate. Uses only 1.24 gallons of water per cycle.
- Split-door design provides a sheet pan door clearance of 27-inches, reduces overall (open-door) height of machine to 93-1/2". A beneficial feature for kitchens with low ceilings.
- Automatic soil purging system filters wash water and traps plate debris into an external tray. Tray can be easily removed for dumping contents.
- All stainless steel construction offers durable performance and years of trouble free operation.
- Built-in chemical resistant industrial 7kW heater is proven to be more durable than commercial style heaters.
- Unique spray arm system features upper and lower stainless steel wash arms with reinforced end caps. Specially designed pull-pins allow wash arms to be easily removed for cleaning.
- Top mounted control box is water tight and includes a rack counter, extended wash/delimer switch and easy to read temperature gauges.
- Auto start/stop makes operation safe and easy.
- Field convertible for a wide range of applications.
- Safety Temp feature assures 180°F sanitizing rinse every cycle.
- Single point electrical connection.
- Automatic tank fill.
- Interchangeable upper and lower arms.

Industrial wash tank and optional booster heaters are designed for years of trouble free service.

Unique pull-pin design allows wash arms to be easily removed for cleaning.

Top mounted control box is water tight and includes a rack counter, extended wash/delimer switch and easy to read temperature gauges.

External scrap tray maintains clean wash water and prevents debris from clogging the drain.

Large 27" door opening accommodates larger items.

Available Options:

- Exhaust Fan Time Control
- Built-in 12kW booster heater
- CMA-180 Conversion Kit Corner to Straight PN: 617.29
- CMA-180 Conversion Kit Straight to Corner PN: 617.39
- Alternative electrical available for export
- Dual power supply connections
- Stainless steel dishtables
- 2 minute cycle
- Stainless steel scrap trap
