- KFW-4-NU 4 Well hot and cold combo
- KFW-5-NU 5 Well hot and cold combo
- KFW-6-NU 6 Well hot and cold combo

KFW-4-NU

Standard Features

- NSF-4 and NSF7 certified for hot and or cold operation
- Wells operate independently for hot or cold operation and vice versa
- Stainless steel immersion heaters - one per well
- Control panel(s) with 3 way hot/cold/off switch and thermostat for hot operation
- Electronic temperature control
- Adjustable pan support for flush mounted hot operation or 2" recessed cold operation
- One-piece, molded fiberglass pylon (base), fully rounded corners, permanent color
- All corners and center sides reinforced with bracing, laminated into the fiberglass
- Fire code rating on fiberglass
- 14 gauge galvanized bottom
- Cord and plug supplied standard
- High density environmentally friendly, Kyoto Protocol compliant, Non ODP (Ozone Depletion Potential) polyurethane foam throughout
- Environmentally friendly R290 GreenGenius refrigerant
- 2 year parts and labor warranty standard

Options & Accessories

- Counter heights available from 28" to 36"
- Tray slides and work shelves
- Food shields
- Stainless steel overshef
- Laminated exterior
- Décor packages

Specifications

Top: Exterior top is constructed of 14-gauge stainless steel, welded, ground and polished into one integral unit. Top is fabricated with square exterior corners.

Interior: Interior liner is constructed of stainless steel with a 1" (2.5cm) drain. Adjustable stainless steel pan rest for flush mount heating or 2" (5cm) recessed cooling to accommodate up to 6" (15cm) deep 12" x 20" plans, supplier by others. Stainless steel immersion heater(s) installed in bottom for wet only heating operation.

Exterior body: Exterior Body is seamless, one-piece molded fiberglass, having perfectly smooth exterior surface with all corners fully rounded. The fiberglass reinforced polyester (F.R.P) is molded with permanent color. Stress points are internally reinforced.

Casters: unit is mounted on 5" (13cm) diameter swivel casters with non-marking polyurethane casters and pate brakes. Overall height of caster assembly is 6" (15cm)
