### NEW! Grooved Top and Smooth Bottom

The grooved top plate enables sought-after grill marks while the bottom provides superior heat transfer. Unit provides versatility as the bottom plate can be used as a griddle.

### Grooved Top and Bottom

Provides grill lines on the top and bottom of the food to add visual appeal to panini sandwiches and grilled meats.

### Smooth Top and Bottom

Perfect for grilled cheese and quesadillas. Complete contact with the food cooks evenly and provides a griddle effect.
