

3.5 GALLON TEA BREWING SYSTEM

TBS-2121XTS TOUCHSCREEN SERIES

Brew flavorful and refreshing teas with the **TBS-2121XTS** Twin 3.5 Gallon Tea Brewer from FETCO. Precision brew controls, modern style and expert craftsmanship come together to provide a versatile beverage solution for the operator and an extraordinary taste experience for their customers.

TBS-2121XTS
Dual Station Tea Brewer*

Touchscreen Simplicity
A simple touch is all it takes to experience full control over the brew cycle.

Functional Design
New features and exclusive designs provide an extraordinary tea service experience for both operators and consumers.

Style
Modern European style elevates your iced tea service with an attractive, inviting self-serve atmosphere.

Solid Construction
FETCO's reputation is second to none for precision craftsmanship and everlasting durability.

* Shown with 2ea. 3.5 Gallon Iced Tea Dispenser (ITD-2135). (Sold separately.)

TBS-2121XTS Twin 3.5 Gallon Tea Brewer

The TBS-2121XTS Twin 3.5 Gallon Touchscreen Tea Brewer combines the simplicity of a touchscreen with new features like the innovative "intelligent" brew basket for quick, efficient operation and producing flavorful taste profiles from your teas.

User Friendly Operation

- Access all controls via an inviting touchscreen interface display that blends intuitive icons with dynamic time and volume data.
- Efficiently navigate set-up, programming, diagnostics and daily brewing modes.
- Customize the start screen to tie your equipment and product offerings into a consistent brand message.

Extract, Brew and Steep

- FETCO's patented Cascading Spray Dome water delivery system provides excellent coverage for loose leaf or prepackaged tea and will never clog!
- Dual dilution spouts positioned above the container dispense water directly from the inlet. The right-side spout can also deliver liquid sweetener (if so equipped).
- Program the exact steep time for precise control over flavor extraction.

Coffee & Tea Versatility with the TBS Shelf Accessory (#Z071)

- The #Z071 Conversion Kit allows you to take advantage of the full range of brewing and serving capabilities of the TBS-2121-XTS tea brewer with multi-dispensing solutions.

Brew directly into the 1.0 Gallon L4D-10 Dispenser with the adjustable height Universal TBS Flat Base (both sold separately).

Intelligent Design

- ▶ Brew Side Sensors automatically detect which side brewing will occur and displays the matching recipes on the touchscreen.
- ▶ Adjustable Orifice and Filter Screen System features a drain cap that removes for easy changing of up to 7 different orifice sizes and filter screen mesh patterns.
- ▶ Expandable Dispenser Base with front-to-back guide rails keep dispensers properly aligned with brew basket.

Space Savings

- ▶ Slim profile brewer takes up minimal counter space.
- ▶ Slim profile dispensers can be filled and placed in any area to make an instant serving station.
- ▶ Optional dispenser station add-on platforms are available in single and dual sizes for the right amount of dispenser space you need.
