*Delivering proper nutrition and controlling your food costs demand accurate, repeatable portion sizing. The trouble is, how do you ensure that your kitchen staff and servers are using the proper-size utensil? Vollrath simplifies portion control with a complete system of serving utensils, color-coded for quick and easy size selection. If your menu calls for 2 ounces of vegetables, tell your staff to use the blue Spoodle®. Serving 4 ounces of stuffing? Use a gray disher. It's that simple. No more searching through a drawer of look-alike utensils trying to read the capacity stamps.*
