B20M 20 Qt. Gear Driven Commercial Planetary Stand Mixer with Guard

FEATURES

- Aluminum construction
- Wire bowl safety guard
- 3-speed control
- #12 hub for meat grinder attachment
- Hook, paddle, whip included
- Push-button controls
- Countertop model

The Prepline planetary stand mixer is a versatile operator for your commercial kitchen. Mix dough, make whipped potatoes, and easily prepare a wide variety of foods. Thanks to its durable construct and made-for-convenience features, this standard-duty mixer offers value over the long term. It's equipped with a beater that makes orbital motions around a stationary bowl, making sure that your ingredients are thoroughly mixed. Bring this versatile commercial mixer to your food service operation and conveniently prepare pasta, ice cream, soup, and other food items.
