CSP-81 81" Countertop Reversible Dough Sheeter with Roller Pin - 120V

FEATURES

- Stainless steel construction
- Heavy-duty usage
- Fixed conveyor speed
- Manual roller adjustments
- Preset roller thickness control
- Foldable tables for space saving storage
- Retractable end tables
- Safety features
- Countertop model

The Prepline dough sheeter machine is a perfect way to streamline food prep operations in your bakery, restaurant, or hotel. Our commercial dough roller allows your staff to rapidly sheet up to 20 inches of dough for pizza, pasta, wraps, and baked goods. This is a classic 3/4 HP reversible countertop model dough sheeter. The stainless steel roller is position-adjustable to support dough thickness between 1mm and 40mm. Save time on dough sheeting and get more value for money with the Prepline dough sheeter.

- CE Certified $C\epsilon$

USR Brands is a US supplier of premium quality commercial cooking, refrigeration and food preparation equipment. Our aim is simple. Produce industry-leading commercial restaurant equipment at reasonable prices, and back it all up with an easy to understand, no nonsense warranty that people can count on.
